FOR IMMEDIATE RELEASE

**Atlanta Pride Announces 2026
“Pride Across the Peach State” Grant Recipients**

ATLANTA (MAY 2026) — [Atlanta Pride](#), the largest free Pride festival in the United States, is proud to announce the recipients of the 2026 Pride Across the Peach State grant cycle, supporting Pride festivals in communities across Georgia. Since launching in 2024, the initiative has helped expand the reach and impact of local Pride celebrations throughout the state, empowering organizers to create spaces where LGBTQ+ people and allies can connect, celebrate diversity, build resilience, and foster inclusion. The 2026 grantees will each host a Pride festival this year, continuing to grow visibility, community, and affirmation for LGBTQ+ Georgians from every corner of the Peach State.

Atlanta Pride’s philanthropic initiative, “Pride Across the Peach State,” will continue its focus on uplifting, supporting, and amplifying the efforts of Georgia-based Pride organizations. To date, the Pride Across the Peach State grant initiative has awarded \$90,000 in grants to 16 different Pride organizations across the State of Georgia. In 2025, it supported 10 organizations. This year, Atlanta Pride is awarding an additional \$40,000 in grant funding to twelve community organizations. To Atlanta Pride’s knowledge, no other Pride organization is reinvesting locally at this same level.

“Pride Across the Peach State is about ensuring LGBTQ+ communities across every part of Georgia have the support and visibility they deserve,” said Chris McCain. “Over the past two grant cycles, we’ve seen these investments help local Pride organizations create incredible programming, expand outreach efforts, and build stronger, more connected communities throughout the state. This initiative continues to demonstrate the power of supporting grassroots Pride celebrations and organizations beyond metro Atlanta, and we’re proud to stand alongside this year’s grantees as they continue that

important work across Georgia.”

Throughout the day, festivalgoers can enjoy the dynamic performances of local drag artists and DJs, enjoy a variety of games and crafts, and savor culinary delights from an array of food trucks. The festivities close the night with a glow and foam Party followed by the Official After-Party at Club One! ***The 2026 Savannah Pride Festival will be held on October 24.***

We imagine a city where no one has to wonder if they will be rejected as a neighbor because of who they love. ***The 2026 Smyrna Pride Festival will be held on June 13.***

Southern Fried Queer Pride Festival (Atlanta, GA)

Southern Fried Queer Pride (SFQP) was born out of a lack of space for Black and brown queer folks to build community, a lack of queer art, and in opposition of the established narrative of Southern queers. The South is home to the country's largest population of LGBTQIQAP2+ individuals, yet we're confined to a narrative of stigma, statistics, and struggle. SFQP fights that notion, and is aiding in uplifting an honest narrative of resilience, rich history, and vibrance. ***The 2026 Southern Fried Queer Pride Festival takes place June 22nd through June 28th in Little 5 Points in Atlanta, GA.***

These grants will support each organization's work, enabling them to continue building strong, supportive, and inclusive LGBTQ+ communities across Georgia.
